Dear Mr. /Mrs.

I have found your job announcement from my friend. I am really interested to apply for a position of a full time in Mobile Developer (IOS) in your company.

Presently, I am working as Web and Mobile Development at 7Gates Company CO.,LTD .

Regarding to my experience, I have join many workshops which are all related with my subject study (IT). Also I'm good at Computer maintenance and it make me more challenge for this job. And I have other skill such as: Microsoft Word, Excel, Access, Power Point, Photoshop, Illustrator, Computer Maintenance, SQL, HTML, Java-script, PHP, Internet and Email.

I am keen on working individually or as a group since I am flexible and adaptable in learning new thing. I am willing change, grow and strongly determine to complete the work assigned by your company. I am good at communication skill. I will grow very well in a new environment. As previously mentioned above, I would really appreciate your chance giving me to show up in an interview setting up at your conversation. Feel free to contact me via my phone number **098419218** if you are interested in me. On the Interview I will submit all the certificates and my documents. I have enclosed a copy of CV and other relevant document for your review.

Thank you for your precious time regarding my letter.

You sincerely  
Sam Vutheareak.
